

My 2MRO- pronounced 'My Tomorrow'- is the Upper Merion Area's social marketing campaign that addresses mental health issues. The goal is for Upper Merion Area students to recognize mental health issues and start talking about them. Being bold enough to seek help- without the use of drugs and alcohol- is the first step toward recovery.

Take care of your mental health because it affects everything you do!

UPPER MERION AREA

**PROTECTING
YOUR
MENTAL
HEALTH**

Mental health is the sum of your thoughts, feelings, and behavior that affects your life, self image, and your relationships. Mental health affects how you make decisions and deal with challenges. Mental health is something everyone has and should nurture.

There are **warning signs** for individuals struggling with mental health. Heed the following signs and talk to a trusted adult:

- *finding little or no pleasure in life
- *feeling worthless or extremely guilty
- *withdrawing from other people

"Sometimes I think life is not worth it."

~25% of 8th and 10th graders in the Upper Merion Area School District, PA Youth Survey

- * experiencing severe anxiety, panic or fear
- * losing interest in hobbies and pleasurable activities
- * hearing voices or seeing images that other people do not experience
- * believing that others are plotting against you
- * wanting to harm yourself or someone else
- * feeling easily irritated or angry; experiencing racing thoughts or agitation
